Professor Oleksander was an amazing teacher.

Professor Oleksandr was one of my favourite professors in the course. The way he structured the course and taught really helped me grasp every corner of the course properly. He is really inspiring as a teacher and kept me motivated throughout the entire semester. Even his assignments were really fun to do.

Professor Svitych methodology of teaching was great he encouraged class participation

cleared doubts whenever necessary and also provided additional resources for reference which was a great addition and helped a lot.

Professor was helpful and was easy to communicate

Sir is very encouraging and helpful.

The complex political philosophy concepts were explained very clearly and extensively by the professor

helping us to develop and analyze their role in the current day global politics.

The course was excellent

and that was made entirely possible with the professor. I would absolutely love to study under the professor once more.

The professor has a very good understanding of philosophy and teaches with good examples and follows up where students don't understand
