Very good presenter and always encourages interactions. Is always open to what people have to say and is open to different ideas what he might not have known earlier.

the instructor teaches very well and has a way of making lectures interesting with class participation and i look forward to being his student in the future as well.

Professor Oleksandr taught us really well

This course made me have a broader perspective towards political ideas which were at the same time extremely helpful. Also the case study held by the professor was the first group project which also immensely helped me to share our ideas and work together.as a team.

I enjoyed the course. Prof. Svitych has been very helpful and understanding. He gives students the chance to express themselves without any fear of judgement. The reading materials were fascinating and thought provoking
